OUR CHARITY PARTNER

One Feeds Two is a non-profit charity that, through its partnership with food companies, is creating a movement to give nutritious school meals to children living in some of the poorest places in the world.

For every guest we cater for, we donate the cost of a school meal to a child living in one of the world's poorest communities via our charity partner, One Feeds Two.

Born from the idea of using hunger to end hunger, we are delighted to be partnering with such an incredible charity and doing our part to help end the cycle of poverty. When you book your event catering with us, you can now feel even better about your choice knowing that you've done something good.

One Feeds Two has already donated over 18 million meals to hungry children and counting. If you're interested in finding out more, please head to their website:

WHO WE ARE

Tobacco Dock Food is part of the The Eventist Group - with a portfolio of 8 prestigious, high-profile brands within the events and hospitality sector.

Celebrating 26 years this year, the Group brings together a collection of award-winning catering and event services through our brands Tapenade, Best Parties Ever, Eventist Live, Tobacco Dock Food, Food by Dish, Zafferano, AP&Co & The Corporate Festival Company, and we are proud to work with many of the country's top venues as a trusted partner and supplier where we are known as an innovative and creative source of inspiration across our catering and event management services.

One of the unique aspects of our Group is that we can offer a multitude of additional services through our sister brands, with AV, production, staging, dance floors, bars and theming all on hand.

FAQ'S

HOW DOES THE BOOKING PROCESS WORK?

You can book your tickets online through our website (https://www.bestpartiesever.com/) up until 5 days before the party. Simply choose your preferred date and number of guests to book (minimum numbers of 8 apply).

Alternatively, one of our team members will be happy to assist you and can be contacted on 020 3815 8624 or tdx@tobaccodockfood.com.

We can hold your tickets for a select amount of time before paying a £30.00 deposit per person. Please note that this deposit is non-refundable and non-transferrable. Your places are confirmed once the deposit has been paid.

HOW DO I MANAGE MY BOOKING WHEN CONFIRMED?

You can modify your booking online up to 5 days before your party through the 'My Account' section of our website. There, you can update dietary requirements and add extras like drinks packages, wristbands, and tokens. If you encounter any issues, please reach out to our team for assistance.

WHAT HAPPENS IF I CANCEL A TICKET OR AMEND GUEST NUMBERS?

If you need to reduce the number of people in your party, please contact us directly. Unfortunately, any payments already made are non-refundable and non-transferable and cannot be applied to additional orders or balance payments. However, if space permits, you can add guests to your booking up until 5 days before the party through your online account or by reaching out to our team.

WHEN WILL I RECEIVE MY TICKETS?

All wristbands and tokens can be collected on the day of your party from the collection point, near the entrance.

WHAT IS THE DRESS CODE?

Our dress code is smart casual, so please avoid sportswear. Tasteful fancy dress that fits the Cirque De Noël theme is welcome. While black tie attire isn't required, guests are more than welcome to dress up if they wish.

WHAT IS THE MENU?

We have created a delicious festive set menu, along with a set option for guests who are vegetarian, vegan, or have dairy, gluten, or nut allergies. Please update your guests' dietary requirements in the 'My Account' section of our website at least 5 days before your party.

HOW DO I ORDER ADDITIONAL DRINKS?

We offer several add-on options, such as wristbands and tokens, which we recommend pre-ordering through the 'My Account' section of our website up to 5 days before your party. Drinks can also be purchased on the night at our cashless bars, which accept contactless and chip-and-pin card payments only.
