## EXPERTLY CURATED ENTERTAINMENT

Not all events are created equally.

Given the right entertainment, your event can be memorable — and that's where we can help.

We are entertainment organisers with one foot in the industry and the other in the world of performing arts.

Born in the London events scene, Stormont has extensive knowledge of the country's most talented and diverse performers. As insiders in the entertainment business, we have access to acts that other companies have no idea even exist.
